

Merritt College Counseling Department

Articulation Notes
April 1, 2003

1. **Website Updates**

- 1) Link to UCLA Engineering & Applied Science transfer requirements
- 2) Link to UC Berkeley's Career Center "What Can I Do With a Major. . ." site
- 3) Cal Poly SLO admissions criteria for different majors
- 4) CSU Hayward GE requirements and upper division transfer info (*See note*)
- 5) AICCU (California Independents) Transfer Handbook and Members/Key Facts link
- 6) Summer and Fall '03 Assessment and Orientation schedule

2. **IGETC Pass-Alongs in Critical Thinking**

A reminder that UC won't accept pass-along certifications for Critical Thinking (Area 1B) if a student took a course at a 4-year school outside of California. In fact, there is a strong possibility that they won't accept a pass-along if the Critical Thinking course was taken at a 4-year school in California (public or private). We need to be sure to advise students properly when reviewing their transcripts and also be sure that District A&R is applying this consistently.

3. **Fresno Admissions**

Just a reminder that California State University, Fresno has new admissions deadlines for Fall 2003: 1) Friday, April 4 for Freshmen; 2) Monday, June 16 for Transfer and Returning Students; and 3) Friday, July 18 for Post-Baccalaureate/Graduate Students.
