RENNES SCHOOL OF BUSINESS, FRANCE
for
ASSOCIATE DEGREES IN BUSINESS
and the
INTERNATIONAL BACHELOR PROGRAM IN MANAGEMENT

The intent of this transfer agreement is to define the procedures for transfer between Rennes School of Business (hereinafter RSB) and Merritt College. Both entities agree to mutual cooperation in establishing and maintaining articulation for their respective programs:

- 1) Merritt College Associate Degrees in Business with its campus located at 12500 Campus Drive, Oakland, CA 94619

The agreement is intended for students having completed an Associate Degree in Business, who wish to transfer to RSB and obtain an RSB International Bachelor Programme in Management Degree.

Clear arrangements between departments and institutions provide the opportunity for these students to obtain a complete Bachelor's degree through program to program agreement, at the outset of their community college education.

Rennes School of Business agrees to accept all Business major credits. General Education credits will also be accepted (see Appendix A).

- 1) Students who have completed an Associate Degree in Business at Merritt College may transfer to Rennes School of Business's International Bachelor Program in Management with senior standing provided that the student has completed all Business courses identified in Appendix A, with a cumulative GPA of 2.00 or higher.
- 2) If RSB considers that a candidate lacks certain fundamentals in Business, a « Business & Management Preparation Course » will be offered online before the start of the semester. This programme will help students acquire the understanding of concepts in the following five key areas of Business & Management : Marketing – Strategy & Innovation – Finance & Accounting – Supply Chain Management - Organizational Behaviour & Human Resource Management.
The preparation course will be adapted to the number of modules required.

- 3) Students who earn an Associate Degree in Business at Merritt College are guaranteed admission to the last and final year of the International Bachelor Programme in Management at RSB conditional upon meeting the prerequisites of the minimum requirements for admission.
- 4) After completing the International Bachelor Program in Management, students may be admitted to one of the Master Programmes in Management/Business offered at Rennes School of Business in only one year, should they wish to pursue their studies (2+2).
- 5) Merritt College will inform prospective students of these 2 + 1 & 2+2 partnerships as they consider options beyond Merritt College. Merritt College will provide prospective students RSB contact information to help them gather additional information about RSB should they wish.
- 6) Rennes School of Business will assign a staff member to serve as a liaison with prospective Merritt College students to assure maintenance of communication between the two institutions. Representatives from both institutions will consult, whenever changes in policy or curricula arise, which may affect students transferring under the terms of this agreement.

This agreement will be in effect initially for three years, beginning Fall 2018 with a review every year by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The agreement may be terminated by either party for due cause and after adequate notice of not less than six months if deemed necessary by either party.
