MATH 124	Elementary Statistics	3	CAN STAT 2	MATH 13	Intro to Statistics	4
PSY 200	General Psychology	3	CAN PSY 2	PSYCH 1A	Intro to General Psy	3

#### Instructions:

#### Revision Date:

Monday, March 25, 2002

The School of Nursing has impacted status. Applicants to the BSN program must apply for admission to the major during the initial filing period, **October 1 to November 30**, for the subsequent **Fall** semester. Applicants will be admitted to the major based on GPA in the prerequisite courses listed and the supplemental criteria below:

- Second language proficiency
- Multicultural community experience
- Under representation in Nursing
- Health-related work/volunteer service

#### Prerequisite Advising

Completion of all prerequisite courses with a minimum of a B- in anatomy and physiology (*physiology lecture/lab must be completed within 7 years of SFSU admission*), a minimum of a C in each of the other prerequisite courses, and a cumulative GPA in the eight courses of 2.5 or better. A C- grade is not acceptable. A student may repeat only one of these courses one time only.

RN nurses will be granted a maximum of 18 units of credit toward the lower division clinical portion of the Nursing program. SFSU courses NURS 111, NURS 112, NURS 113, NURS 114, NURS 115, NURS 116, NURS 222, NURS 223, NURS 224, and NURS 225 represent a basic sequence of lower division courses; institutions need not have exact course-to-course matches, but must have an equivalent sequence that covers the same basic subject matter as presented by the SFSU course sequence for a maximum of 18 semester units. RN transfers should go to the School of Nursing for credit and advising.

#### Applicants with No Prior Nursing Background or applicants to the Advanced Placement Option for Registered Nurses.

Transfer students must complete the prerequisite courses by the end of the Spring semester prior to consideration for admission, to the nursing major. In addition applicants with previous Nursing background and Registered Nurses are requested to contact the School of Nursing to complete a supplemental application to include official transcripts. For additional information check the SFSU *Bulletin*, contact the School of Nursing at (415) 338-1801 and/or visit the School of Nursing Website at <http://www.nursing.sfsu.edu/>.

**Note that the listed equivalent courses to BIOL 210+211, BIOL 328, BIOL 610+611, CHEM 101+102, & DFM 253 are approved for the Nursing major only. The additional Chemistry courses are acceptable as satisfying the CHEM 101+102 requirement and are not equivalent.**
