Variable Topics Courses

Credit for variable topics courses is given only after a review by the enrolling UC campus, usually after transfer. UC does not grant credit for variable topics courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) or Library Departments because of credit restrictions in these areas. Courses of a vocational nature such as fire or police academy preparation are not considered appropriate for transfer.

Credit Limitations

Limitations on transferable units have been removed from Art, Music, and Theater Arts. However, students are cautioned about completing an excessive number of units in these areas.
