Transfer Credit Guidelines

Applicants are expected to have completed a minimum of 54 transferable semester units. In rare cases, exceptions can be made. Students coming into the B. A. Completion Program with fewer than 72 transferable semester units will need to earn college units through submitting a Prior Learning essay and/or passing College Level Examination Program (CLEP) tests.

These guidelines apply to all of the following emphasis areas in the B. A. Completion Program: Humanities; Activism and Social Change; Culture, Ecology and Sustainable Community; Experimental Performance.

1. Credit will be given only once for cross-referenced courses.
2. Only courses with a grade of C- or higher will be considered for transfer credit.
3. A maximum of 78 lower division semester units and of 90 total undergraduate units will be accepted in transfer from community colleges.
4. The following are NOT transferable to New College of California: Remedial or repeat classes.
