

## Merritt College Counseling Department

Articulation Notes  
February 26, 2018

### UC

Berkeley: Math 3E & Math 3F articulates to UCB Math 54; also updated major prep agreement for English; posted on ASSIST. (NOTE: cannot take 3E & 3F at different PCCD Colleges!).

Irvine: Engineering major updated: students must have a cumulative GPA of 3.0 in required courses; also, BIO SCI M122L deactivated; PHARM SCI major prep agreement update & published on ASSIST

Santa Barbara: Major prep agreements for Chemical Engineering, Computer Engineering, Electrical Engineering, and Mechanical Engineering updated with advisory notes for fall 2018 applicants; also PSYCH major prep agreement updated

### CSU

San Jose State: NUTR 10 approved for NUFS 8 and NUTR 12 approved for NUFS 9; published on ASSIST.

San Francisco State: Campus impaction status now removed; eff F19, program impaction expected to be removed for Apparel, Design, & Merchandising, Child & Adolescent Development, Dietetics, and Environmental Studies (to be confirmed); ART discipline now split into ART for Art History and ART for the rest (see ASSIST); Counselor Institute tentatively scheduled for May 7, 2018—watch for notice.

#### East Bay:

\*On track to convert to semester system F18. Most articulation will hold—check ASSIST (legacy still updating while waiting for Next Gen to publish).

\*For EB students (i.e. BSN), CSUEB General Psych (PSYCH 1000) will probably be classified as a B2 instead of a D. However, will still articulate our (and others') General Psych (PSYCH 1A) as an Area D course. Be sure to have transfer students certify their CSU GE prior to transfer and will honor the Area D designation.

\*Eff F18, NURS 2010 Principles of Nutrition and Medical Nutrition Therapy (4) will convert to NURS 301 Principles of Nutrition and Medical Nutrition Therapy (3) (upper division). Artic will hold with this notation: \*Lower division courses meet course content elective credit only. No upper division credit will be granted.

### Independents/OOS

Rennes School of Business: New transfer agreement developed for BUS degrees. Page & agreements added to Counselor Website.

Holy Names University: Created major prep agreement for new BSN Program; updated Business Administration lower division major prep agreement; artic agreements with other local institutions posted on HNU page.

AICCU: Cal Grant award will decrease from \$9084/year to \$8056/year unless they, as a group, enroll 2500 add'l students who have earned ADTs for 2019-2020 (no change in 18-19). In response, AICCU is actively seeking to enroll students w/ ADTs and will offer a "guarantee" of no more than 68 add'l units required after transfer (subject to interpretation by individual colleges).

### Other

- ASSIST Next Generation due to launch SU18; had to be pushed back again due to development snags; look for counselor/evaluator training prior to launch
- AICCU general advising page has been updated with stats and fact sheets about member institutions in Bay Area
- Link to financial aid eligible majors at all PCCD Colleges posted on Advising Information & Resources page (Financial Aid section) of Counselor website (along with asterisks throughout Passport).
