

Merritt College Counseling Department

Articulation Notes
December 2, 2002

1. **Revised 02-03 UC TCA** The UC TCA for 02-03 has been revised, adding 2 courses: ART 86A-D, *Special Projects: Hand-Built and Raku Ceramics* and ART 88A-D, *Special Projects: Ceramic Sculpture*. The UC TCA advising sheet has been revised to reflect these changes.
2. **Revised 02-03 CAN List** The 02-03 CAN Qualified Course List has been revised, adding a number of courses that were approved to carry CAN identifiers. The 02-03 CAN advising sheet has been revised to reflect these changes.
3. **CSUH Outreach Counselor Change** In a recent contact with the CSU, Hayward Admissions Office, I was told Jimmy Cox is no longer working as part of the outreach program. Jimmy was the admissions advisor assigned to Merritt in the past. They were unsure who, if anyone, would replace him. However, we were advised to call either the main number [(510) 885-2784] or Sandy Chinn at (510) 885-4226.
