

## **Merritt College Counseling Department**

Articulation Notes  
October 21, 2002

1. **USC Closing Nursing** USC is closing its Nursing program and is no longer accepting students into the program. They are currently phasing out offering nursing courses and will remove all nursing courses from the next artic agreement. Nursing courses taken under earlier agreements still transfer and they will grandfather old agreements for a semester upon petition.
2. **Credit By Exam for Computer Literacy Requirement** The Credit By Examination procedure for clearing the AA/AS Degree Computer Literacy requirement is now posted on the Counselor Web Site. Go to the Merritt College page and click on the Credit By Examination link to see it.
3. **Credit/No Credit Courses** Per Howard Perdue's 10/14/02 e-mail, there is no PCCD limit on the number of courses that can be taken CR/NC. As you know, UC has a 14 semester/21 quarter unit limit, and CSUs have a limit of somewhere between 0 and 40, depending on the campus.
