

Merritt College Counseling Department

Articulation Notes
December 9, 2002

1. **UCSC Extends Filing Deadline** We were recently informed that UC Santa Cruz will remain open until the end of December to all transfer students (except seniors) applying to UC Santa Cruz for Fall 2003. Students should submit a paper application postmarked by the end of December as Pathways (the electronic application) is closed at this point. However, the Pathways web site can be accessed to download the paper application.
2. **ANTHR 13 & UC TCA** There is some uncertainty about whether ANTHR 13, Urban Anthropology is currently on the UC TCA. Apparently, (and with no notice to Merritt College), the course was placed on “phase-out” by UCOP during the 00-01 update cycle, and was originally scheduled to be de-listed after SU02 (which then somehow got changed to S02). It does not appear on the 02-03 TCA currently on ASSIST, the official repository of articulation information, although it appears on the TCA consecutively from 93-94 through 01-02 (with the notice of phase-out first appearing on the 00-01 TCA). We are currently working very closely with UCOP to resolve this, hopefully by restoring the course without a break. Until further notice, however, it’s best to advise students that it isn’t on the 02-03 TCA and that students taking it risk not having it accepted by UC. FYI, it remains in IGETC Area 4 on ASSIST.
3. **UCR Still Accepting Applications** UC Riverside is still accepting transfer applications for Fall 2003 until May 31, 2003. Interested students should submit their applications as soon as possible. Students who applied to another UC campus during the November priority filing period and who also wish to apply to UCR should submit requests in writing to the processing service (University of California, Undergraduate Application Processing Service, P.O. Box 4010, Concord, CA 94524-4010). They should note their original application ID number, social security number and UCR major in the request. Applicants should also include the \$40 application filing fee. Students who did not apply to a UC campus but wish to apply to UCR should complete the 2003/2004 UC Application for Undergraduate Admission and Scholarships and submit it to the Concord address in the envelope supplied with the application.
4. **UCD Vet School Articulation Update** The 02-03 articulation agreement for the UCD School of Veterinary Medicine was updated and published on ASSIST 12/6/02.
