

## Merritt College Spring 2007 Orientation and Assessment Schedule

### NEW STUDENTS

All new matriculating students at Merritt College must attend Orientation & Assessment. You will learn what to expect from your college experience, how to plan your schedule, when to see your counselor, and where to find the resources you need to succeed. Following Assessment, students will have the opportunity to meet with a counselor to discuss their educational goals and plan their class schedule.

### IMPORTANT

- **New students must attend Orientation prior to Assessment—NO EXCEPTIONS!**
- **NO ONE IS ADMITTED LATE.** Students should arrive 10 minutes earlier than the scheduled session.
- There is no cost for Orientation & Assessment.
- Assessment results do not keep anyone from enrolling in college; however, students in certain programs must meet prerequisites as stated in the college catalog.
- Bring photo identification with you on the day of your Orientation & Assessment.
- No children or food/drink are permitted. Cellular phones and pagers must be turned off during Orientation & Assessment.
- Students must have a current application on file with Admissions & Records before attending Orientation & Assessment.
- For more information, visit [www.merritt.edu](http://www.merritt.edu) and select [Assessment](#) from the Student Services webpage.

**Beginning January 2007, appointments will not be necessary for Orientation/Assessment. Assessment/Orientation will be conducted during the times listed below on a first-come, first-served, drop-in basis. Because no student will be admitted late, be sure to arrive 10 minutes early.**
