

## Merritt College Counseling Department

Articulation Notes  
April 29, 2003

### 1. **Web Site Updates**

- ♦ CSU, Hayward: Added link to page with information about all majors, including lower division major prep requirements.
- ♦ UC General Advising Page: Added link to UC's Dual Admission Program (DAP) general info page, with links there to add'l resources.

### 2. **Chico Curriculum Changes**: Chico has added seven new baccalaureate degrees, effective with their 03-05 catalog (which should be out by the end of April). Some of these new degrees affect options within existing degree programs (e.g., the B.S. in Business Information Systems moved three options out of their Business Administration major). New majors and options are:

- B.S. Business Information Systems
  - Accounting Information Systems Option
  - Management Information Systems Option
  - Supply Chain Management Systems Option
- B.S. Applied Computer Graphics
  - Production Option
  - Technical Option
- B.A. Linguistics
- B.S. Geology
- B.S. Modern Jewish Studies
- B.A. Music Industry and Technology
  - Music Industry Option
  - Recording Arts Option
- B.A. Criminal Justice

### 3. **Updated Hayward Artic Agreement** We've updated the CSUH artic agreement, including the new Liberal Studies agreement, and posted it on ASSIST as of 4/21/03.

### 4. **ETS Information** For those who didn't attend the recent Ensuring Transfer Success Counselor Conference (UC only this year), a list of handouts and publications from the conference will be posted on the ETS web site in late May, 2003 <[www.ucop.edu/sas/ets](http://www.ucop.edu/sas/ets)>. There is also a disc with this material that was handed out at the conference and I'd be happy to make copies of it for anyone who wants one.
