

Merritt College Counseling Department

Articulation Notes
September 16, 2002

1. **CSU, Fresno** Mechanical & Industrial Engineering major prep artic agreement updated & posted on ASSIST 9/7/02.
2. **Art Institute of California-San Francisco** Brand new transfer articulation agreement. Includes application for articulated credit students must complete, attach to transcript, and submit w/ application for admission. Artic agreement and application for artic credit posted on AICA-SF page on Counselor Web Site.
3. **Web Site Updates**
 - ✧ Links to both Counselor Meeting Minutes and Counselor Meeting Artic Reports now posted on Merritt College page. Will try to maintain and archive by academic year for reference.
 - ✧ Link to UC Notes on UC General Advising page. Good resource for updated info on all UC campuses. Current issue has counselor advising pullout for F03, W04, and S04, notes development of expanded School of Education at UC Davis, and creation of Transfer Planner for all CCCs. I've asked for the planner in electronic form and, if I can get it, I'll post it on the Web Site.
4. **Using "C-" for AAGE English & Math** Per District A&R, we *will* accept grades of "C-" from other schools to meet our AAGE English and Math requirements. Typically, these grades will have come from 4-year schools since other CCCs don't use - & + grades.
5. **Laney 02-03 AAGE Advising Sheet Correction** First printing of Laney's AAGE Advising Sheet (dated 5/02) contained errors (in Area 3/Humanities, French courses were omitted and Humanities courses are listed twice. The following courses should be included: FRENCH 1A, 1B, 2A, 2B, 30A, and 30B). Corrected sheet (dated 9/02) posted on Web Site and placed in red binder in bookshelf in Rod's area.
6. **CSU Long Beach** Revised artic agreement posted on ASSIST 9/12/02.
7. **UCSB** Revised artic agreement posted on ASSIST 9/14/02.
