Foreign Language	Please see footnote[5]

This articulation agreement is not a legally binding contract and is subject to change without notification.

For more information, please call Anne Seed at Samuel Merritt College at (510) 869-6610.

[1] Chemistry 30A alone is acceptable, but the chemistry sequence of Chem 30A **and** Chem 30B is preferred. Chem 1A is also acceptable.

[2] Bio 2 **and** Bio 4 are the preferred courses. The sequence of Bio 20A **and** Bio 20B is also acceptable.

[3] Suggested courses include Art History (not Studio Art), Speech, additional English courses, Classical Languages, Modern Languages, Performing Arts (history and theory, not activity), Philosophy and Religious Studies. All courses should be transferable to the UC system.

[4] Not required of those with previous baccalaureates or if one year (of each) successfully completed with a grade of "C-" or higher in high school. Math 201 and Math 202 are not transferable courses and will not be included in the transfer GPA.

[5] While not an admission requirement, foreign language is a graduation requirement from the BSN program. This requirement can be fulfilled in the following ways:
- Three years of high school language with grades of "B" or higher.
- A score of three or higher on an Advanced Placement Language examination.
- A passing score on the Saint Mary's College Language examination.
- A passing score on the TOEFL examination for international students.
- Completing courses through the third level (i.e., Spanish 2A) at Merritt College.

Courses which are taken to fulfill the language requirement may not be used to meet the Humanities prerequisite.
